THE POWER OF 2.0

Oxlife **LIBERTY2**® is the only wearable portable oxygen concentrator (POC) with the power to deliver 2.0 LPM continuous flow and 10 pulse dose settings.

Innovated for mobility. Designed for life.

Research suggests that increased activity can lead to better overall health and fewer chronic pulmonary disease complications.

Until there's a cure, Oxlife **LIBERTY2** delivers more oxygen to make living with supplemental oxygen easier, more portable and more effective.
